

**NOTICE INVITING BIDS
FOR
HIGH DESERT WATER BANK
AQUEDUCT TURNOUT/TURN-IN (The “Project”)**

Project Number: HDWB 21-01

NOTICE IS HEREBY GIVEN that Antelope Valley - East Kern Water Agency (the “Agency”) invites sealed Bids for the Project. The Agency will receive such Bids at its Administrative Office, 6500 West Avenue N, Palmdale, CA 93551 up to 2:00 p.m. on January 10, 2022, at which time they will be publicly opened and read aloud.

SCOPE OF WORK. The Project includes, without limitation, furnishing all necessary labor, materials, equipment and other incidental and appurtenant Work necessary to satisfactorily complete the Project, as more specifically described in the Contract Documents. This Work will be performed in strict conformance with the Contract Documents, permits from regulatory agencies with jurisdiction, and applicable regulations. The quantity of Work to be performed and materials to be furnished are approximations only, being given as a basis for the comparison of Bids. Actual quantities of Work to be performed may vary at the discretion of the Agency Engineer.

Discrepancies in, and/or omissions from the Bid or Contract Documents or questions as to their meaning shall be immediately brought to the attention of the Agency by submission of a written request for an interpretation or clarification to the Agency. Such submission, if any, must be sent to **Justin Livesay at jlivesay@avek.org**. Questions must be submitted by 5:00 p.m. on JANUARY 3, 2022. Questions received after this date and time may not be answered.

Any interpretation of the Contract Documents will be made only by written addenda duly issued by the Agency. The Agency will not be responsible for any explanations or interpretations provided in any other manner. No person is authorized to make any oral interpretation of any provision in the Contract Documents to any bidder, and no bidder should rely on any such oral interpretation.

In general, the principal components of the WORK shall consist of:

- Construction of a reinforced concrete turnout structure on the East Branch Canal of the California Aqueduct, including steel trashracks, traveling water screen, two electrically operated slide gates, platforms, and all provisions required to construct said turnout while the East Branch Canal of the California Aqueduct is in service.
- Furnish and install approximately 168 feet of 84-inch diameter pressure pipe.
- Furnish and install an 84-inch multi-path ultrasonic meter complete with vault and installation of all metering instrumentation in new control building.
- Construction of a concrete block control building complete with air conditioning, ventilation, and all necessary electrical and mechanical installation.
- Sitework

Project Location

The project is located on the State Water Project East Branch Canal near the crossroads of 290th Street and West Avenue B in the unincorporated portions of Los Angeles County, Antelope Valley California.

OBTAINING BID DOCUMENTS. Bidders may obtain free copies of the Plans, Specifications and other Contract Documents online only by emailing Ben Melendez, Engineering Technician, at bmelendez@avek.org.

MANDATORY PRE-BID MEETING AND SITE VISIT. A mandatory pre-bid meeting will be held on December 13, 2021, at 10:00 a.m. in person at the Agency's Administrative Office located at 6500 West Avenue N, Palmdale, CA 93551, followed by a mandatory site visit. Every Bidder is required to attend the pre-bid meeting and Project site visit. Failure of a Bidder to attend will render that Bidder's Bid non-responsive. No allowances for cost adjustments will be made if a Bidder fails to adequately examine the Project site before submitting a Bid.

REGISTRATION WITH THE DEPARTMENT OF INDUSTRIAL RELATIONS. In accordance with Labor Code Sections 1725.5 and 1771.1, no contractor or subcontractor shall be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, unless currently registered and qualified to perform public work pursuant to Section 1725.5 [with limited exceptions for bid purposes only under Labor Code Section 1771.1(a)].

PREVAILING WAGES. In accordance with Labor Code Section 1770 *et seq.*, the Project is a "public work." The selected Bidder (Contractor) and any Subcontractors shall pay wages in accordance with the determination of the Director of the Department of Industrial Relations ("DIR") regarding the prevailing rate of per diem wages. Copies of those rates are on file with the Director of Public Works, and are available to any interested party upon request. The Contractor shall post a copy of the DIR's determination of the prevailing rate of per diem wages at each job site. This Project is subject to compliance monitoring and enforcement by the DIR.

BONDS. Each Bid must be accompanied by a cash deposit, cashier's check, certified check or Bidder's Bond issued by a Surety insurer, made payable to the Agency and in an amount not less than ten percent (10%) of the total Bid submitted. Personal or company checks are not acceptable. Upon Contract award, the Contractor shall provide faithful performance and payment Bonds, each in a sum equal to the Contract Price. All Bonds must be issued by a California admitted Surety insurer using the forms set forth in the Contract Documents, or in any other form approved by the Agency General Counsel. Failure to enter into the Contract with the Agency, including the submission of all required Bonds and insurance coverages, within fifteen (15) Days after the date of the mailing of written notice of contract award to the Bidder, shall subject the Bid security to forfeiture to the extent provided by law.

LICENSES. Each Bidder shall possess a valid Class A Contractor's license issued by the California State Contractors License Board at the time of the Bid submission, unless this Project has any federal funding, in which case the successful Bidder must possess such a license at the time of Contract award. The successful Contractor must also possess a current business license issued by the City of Palmdale.

RETENTION SUBSTITUTION. Five percent (5%) of any progress payment will be withheld as retention. In accordance with Public Contract Code Section 22300, and at the request and

expense of the Contractor, securities equivalent to the amount withheld may be deposited with the Agency or with a State or federally chartered bank as escrow agent, which shall then pay such moneys to the Contractor. Upon satisfactory completion of the Project, the securities shall be returned to the Contractor. Alternatively, the Contractor may request that the Agency make payments of earned retentions directly to an escrow agent at the Contractor's expense. No such substitutions shall be accepted until all related documents are approved by the Agency General Counsel.

BIDDING PROCESS. The Agency reserves the right to reject any Bid or all Bids, and to waive any irregularities or informalities in any Bid or in the bidding, as deemed to be in its best interest.
